Product description

These vibrating bullets may look small, but rest assured, they pack a lot of pleasure into their small body!

This Bullet Vibrator can be held against your favorite erogenous zones like the clitoris or nipples for external stimulation or inserted to massage your inner walls. Wherever you place it, this nifty little bullet delivers 12 sensual vibration patterns that are sure to take you to new heights of pleasure!

This Bullet Vibrator is connected to its wired remote control and also to its housing, which you or your partner can use to cycle through the 12 vibration modes seamlessly and also makes removal easy and safe. This is ideal for easily changing the intensity and speed of your sensations without having to interrupt the fun!

Made with high-quality materials and a soft-touch texture, the mini bullet offers a pleasant sensual experience in contact with the skin. Its discreet and elegant design makes it a discreet and portable toy that can be easily carried in a bag or pocket, allowing you to take the fun anywhere.

In addition, the mini bullet vibrator usually has several vibration modes, from gentle pulsations to intense vibrations, to adapt to the individual preferences of each user. Its silent motor guarantees discretion during use, allowing you to enjoy the experience without worries .
