Product description

Riding the wave of stimulation with the rechargeable silicone vibrating penis ring with 7 functions. With its silicone design, this tight-fitting cock ring sits at the base of your penis, strengthening your erection and prolonging your pleasure. The large arm extends outward from the cock ring, giving you plenty of options for play. Use it upward to target your partner's clitoris or downward to stimulate the perineum or testicles. With a motor located inside the main part of the arm, the vibrations are driven exactly where you want them. Explore seven vibration modes with the push of a button as you take your game to the next level, whether in the bedroom, shower or bathroom, thanks to the waterproof design. When the fun is over, put your cock ring back on full power. with the easily rechargeable battery.
