Product description

PRETTY LOVE BI-040096Q

Insert before inflating and once in position, pump your way to incredible anal satisfaction. As the butt plug inflates and puts pressure on your P-spot with comfortable experience and gives you total peace of mind while it is in. Added to that, the safety pressure valve allows for a quick and easy deflation and retrieval once you have had your fill of anal fun. Do not inflate toy before inserting. The air inside the inflatable plug automatically distributes itself evenly across the shaft after being inserted (not before). Removal of pin from the valve is not recommended after the plug is inflated.
