### Product description

A realistic penis shaped thrusting and vibrating vibrator with a strong suction cup that sticks to any smooth surface. The suction cup makes hands-free fun possible. The 3 modes of vibration and thrusting can be controlled separately by the remote control or by a partner. The thrusting and vibrating pleasure giver is covered in soft silicone that feels great against the skin. The realistic vibrator is excitingly firm and hard without losing flexibility thanks to this material. The silky soft silicone material looks like real skin and also feels as soft as velvet. Can be recharged with the magnetic charging port at the end of the toy
