Product description

This magnificent anal plug is ideal for both sexes and perfect for long-term use. Unlike many e-stim toys, this plug features 90-degree connection points, allowing you to use it in a sitting position. This simple redesign opens up a ton of playing positions for you to explore. Try gradually lowering yourself onto the tapered tip and rocking back and forth once inserted to experiment with different stimulations. Activate your e-stim power pack to enjoy waves of pulsing pleasure that range from gentle strokes to jerks and send your pleasure receptors into a fun-filled frenzy. Generously spread lubricant for the ultimate anal experience.
