### Product description

#### PRETTY LOVE BI-300089

The **Kylee by Pretty Love** is an innovative stimulator designed to provide a pleasurable and intense experience. With an ergonomic design and high-quality materials, this intimate toy is designed to offer realistic and stimulating sensations.

This device has a stimulating tongue that imitates the natural movement of the human tongue, providing a unique and pleasurable sensation. With 10 licking modes, you can customize the intensity and rhythm of stimulation, allowing you to explore different levels of pleasure to suit your preferences.

The Kylee has compact dimensions of 116mm x 72mm x 71mm, making it easy to handle and perfect for solo or partner use. Its structure is Made from high quality TPE, a soft, flexible and body-safe material that comfortably adapts to the skin in contact, ensuring a realistic and pleasurable sensation.

In addition, this stimulator is USB rechargeable, making it practical and easy to use at any time without worrying about disposable batteries. Its long-lasting battery allows you to enjoy prolonged sessions of pleasure without interruptions.

The design of the **Kylee by Pretty Love** combines elegance and functionality, with an intuitive on/off button that makes it easy to use. It is an ideal accessory for those looking for new sensory experiences, as it offers intense and personalized stimulation with a sophisticated and discreet design.

If you are looking for an intimate toy that combines technology, design and pleasure, the Kylee from Pretty Love is an excellent option to take stimulation to another level.

### Toy Guide

#### Adult Toy Guide

Start with a small vibrator or bullet. Add lubricant. Clean after each use.
