Product description

These fantastic silicone balls with loose balls inside will give you incredible stimulation all day long and at the same time work to tighten and strengthen your vagina. Simply insert the two balls with the silicone tail outside of you. These Kegel balls have smaller weighted balls inside the silicone sleeves and with every movement you make they will also move and cause bumping sensations.

Not only will this feel amazing, but your muscles will contract around the balls, giving you a stimulating vagina workout like no other.
