Product description

Are you looking for a versatile and easy to use toy? This rechargeable vibrating egg is a great idea to add to your solo games but also very manageable to play with a couple.

It is made of lilac silicone with flexible cord. You can use it for both internal and external stimulation. It is discreet so you can use it anywhere to give more excitement to your game.

7 vibration modes and 3 electroshock modes that send intense sensations throughout the body - ideal as the first erotic toy.

- 3 electroshock modes
- Remote control
- USB rechargeable
- 7 vibration functions
- Powerful vibrations
- High stimulation
- Material: Silicone and ABS
- Submersible
