Product description

This rechargeable vibrating egg and tapping stimulator are a great addition to your solo play, but they're also the perfect portable size for couples play. Made from soft purple silicone with a flexible cord, the egg is ideal for external stimulation but is also suitable for internal use. Why not try using this stimulating egg during foreplay with your partner or even insert it for a daring shopping trip? The 12 speeds are controlled with buttons on the body of the toy and each one offers a different pattern that will in turn send you a variety of sensations. Fully rechargeable, this egg comes with a USB charging cable that needs to be inserted firmly into the base of the toy to charge. The 4-mode tapping stimulator is also a perfect option for variable intensity sensations.
