Product description

Experience something a little more hearty with this rechargeable vibrating silicone butt plug. If you love the unique sensations of anal play, then you'll love the thick, long, and deliciously soft design of this huge butt plug. Tapered for comfortable insertion with a suction base that allows you to ride hands-free, the silicone butt plug has 12 vibration functions. Don't forget your water-based lube! With an east to use the remote control.

The silicone anal plug with vibration, rechargeable and remote control is a jewel of pleasure designed to take the intimate experience to new heights. This sensual toy fuses the softness of silicone material with the added stimulation of vibration, providing moments of ecstasy for both beginners and those experienced in anal play.

Made from medical grade silicone, this butt plug offers a velvety texture that feels incredibly soft against the skin. Its conical shape facilitates insertion, allowing a comfortable and gradual experience for those who are exploring anal pleasure. The wide base ensures safe removal and prevents the plug from shifting during use, providing peace of mind and comfort.

The distinctive feature of this plug is its vibration function, which adds a whole new dimension to anal stimulation. Equipped with a powerful and quiet motor, it offers a variety of patterns and intensity levels controlled through the convenient wireless remote control. This remote control allows the user or partner to adjust the vibrations according to their preferences, creating a personalized and exciting experience.

The anal plug's rechargeable functionality eliminates the need to worry about constantly changing batteries. It is simply charged via a USB cable, making it an environmentally friendly and convenient option for use anytime, anywhere.

Additionally, this butt plug is designed with versatility in mind. It's waterproof, making it easy to clean and expanding your exploration possibilities in the shower or bathtub. Its compact size makes it discreet and easy to transport, allowing you to take intimate fun wherever you go.
