Product description

We've taken the soft, lifelike feel of a Fanta Flesh pussy and combined it with a powerful performance pump! After only a few uses, you'll discover thick, throbbing erections that last and last.

Slip through the super-soft pussy and into the vacuum cylinder tube. The pussy feels great and forms a perfectly tight seal against the skin to create a powerful vacuum inside the chamber, forcing your erection to quickly expand and swell with power as you squeeze the EZ-grip handle!

This multi-function pump doubles as a suction-masturbator - when you've reached your desired size, simply push the quick-release valve to relieve the pressure, then enjoy fucking the lifelike pussy with your newly swollen pleasure rod. The clear, vacuum cylinder allows you to see your cock get bigger and fatter with each pump.

To prolong ejaculation, slide the included enhancement ring over your shaft until it's nice and snug. The tight squeeze will prolong ejaculation, help maintain your erection, and extend the fun.
