Product description

Inspired by European design and developed to produce maximum results, the Euro Pump is the premier choice for instant penis enlargement. With each squeeze of the medical-style pump ball, your pleasure rod will grow bigger, thicker, and swell with power. Once you penetrate the smooth, flexible PVC opening, you'll quickly discover throbbing, rock-hard erections that feel great and last and last with no midway performance letdowns!

The smoky vacuum tubes allow you to watch your cock grow and grow, and the quick-release valve relieves pressure with a push of the button. Beware of imitations only this potent pump can deliver results that truly satisfy!

When you're done, simply detach the cylinder from the vacuum hose and cleanup is a snap with Pipedream Toy Cleaner and warm water.
