### Product description

Increase your size and confidence without dangerous medications or expensive surgeries with this safe and easy-to-use Max-Width Penis Enlarger. With each pull of the EZ-Grip pump trigger, your pleasure rod will grow bigger, thicker, and swell with power.

Once you penetrate the smooth, flexible PVC opening, you'll quickly discover throbbing, rock-hard erections that feel great and last and last with no midway performance letdowns!

The clear vacuum tube allows you to watch your cock grow, and the quick-release valve relieves pressure with a push of the button. The soft PVC sleeve forms a perfectly tight seal against the skin and creates a powerful vacuum inside the chamber, forcing your erection to quickly expand its length and girth.

The tight squeeze will prolong cumming, help maintain your erection, and extend the fun. When you're done, simply detach the cylinder from the vacuum hose and restore it to like-new quality with Pump Worx Toy Cleaner and warm water.
