Product description

Showers will never be the same again with the suction pump.

With each squeeze you give the medical-style pump, your pleasure will rise higher and higher until you reach the ultimate pleasure. Once you insert your penis through the PVC opening, you'll see it become rock-hard, stiff as a tree, and longer-lasting than Methuselah. In turn, you'll enjoy the sensation more and more...

The clear vacuum tube lets you watch your big boy grow, and the quick-release valve lets you relieve pressure.

- 100% Phthalate Free.

Turn the bottom disc of the base to activate the vibrations and enjoy extra stimulation.
To prolong your erection, slide the ring along your member until you find it comfortable, but snug.

Once you're done, and to keep it looking like new, we recommend simply detaching the cylinder from the vacuum pump and cleaning it with warm water and our Pump Worx Toy Cleaner.

- Works with 2 AA batteries.
- Measurements: 18 cm x 5 cm.
