Product description

Enjoy the "Real Feel" of velvet-soft, lifelike skin with this incredibly realistic vibe. Meticulously designed with a pronounced head, bulging veins, and free-hanging balls, the super-lifelike shapes, textures, and colors of this vibe truly look and feel like the real thing! Made with phthalate-free Fanta Flesh, this squishy material mimics the softness of real skin and is completely body-safe.

The ultra-strong suction-cup base sticks to nearly any smooth, flat surface for a wall-banging good time! Stick it to the floor, wall, tile or bedpost -- the super-strong suction-cup will stay securely in place during every passionate thrust, and features a quick-release tab for easy removal.

The sturdy suction-cup doubles as a harness-compatible base that remains snug in its place even when the action heats up. Wear this vibrating dildo with any Fetish Fantasy Series harness for the most comfortable and realistic strap-on experience! Insert the required batteries, screw the base completely on until it's tight, and the vibe will immediately turn on to offer powerful vibrations for the most intense orgasm you've ever imagined!

To power down, simply unscrew the cap and the vibe will turn off. Take this completely waterproof vibe in the shower, hot tub, or spa and turn bath time into pleasure time! Use plenty of Moist Body Lotion for an extra wet and wild experience. Cleanup is a snap after the fun with Pipedream Toy Cleaner and warm water.
