Price	**46.34 £**
Number	**70138005**
Producer code	**FETISHID-228566**
EAN	**8435565925222**

Product description

AN A-SPOT DUAL ACTION VIBRATOR

Does size matter? It depends on what you want. If you want to be wetter, more aroused, and experience deeper sensations than ever before, then you want a long, strong vibration that hits your a-spot, the area near the cervix that has been shown to increase arousal. .

WHAT MAKES THIS POWERFUL REWOKISS DUAL VIBRATOR SPECIAL?

We took two powerful, rumbly motors and put them in a long, firm design, for size lovers who crave dual stimulation. Do you need firmer pressure on your clitoris to take you to seventh heaven? We've adapted our exclusive FlexiREWOTechnology™ to make REWOKISS flexible but not too flexible, so you can enjoy more intense pressure from a shaft that adapts to your movement. Plus, the length gives you more options for play, whether that means vibrating the spot that triggers arousal or simply having greater mobility.

LET'S TALK MORE ABOUT THE A-SPOT!

It is an area towards the back of the vagina, near the cervix. Massaging it increases physical arousal and lubrication, so it's obviously a lot of fun. You need a scope of the right size to stimulate it, which is where the **REWOKISS** long shaft comes into play. That's what makes **REWOKISS** the ultimate A-spot vibrator with extra power.

CAN I CONTROL SHAFT VIBRATION AND CLIT EXTENSION SEPARATELY?

Of course! You can play with different vibration modes. 10 modes from a whisper mode to a loud mode. The intense play that **REWOKISS** provides is the perfect sensation for complete stimulation of the clitoris and internal vibration.

We recommend that you use an additional lubricant, such as AQUA, WATERFEEL OR NINA KIKÍ brand lubricant available in classic, silky or heat effect versions.

All Rewolution toys are of course waterproof and will be your perfect companion both in a romantic hot tub and under the comfortable sheets at home. The underwater vibrations of this fun companion are perceived by many couples as particularly intense.

In addition, since the vibrator is waterproof (IPX6), it can also accompany you in the most humid places, such as the shower or bathtub. If REWOKISS runs out of steam, its built-in batteries can be recharged using the included magnetic charging cable.

Characteristics

Vibrator for the clitoris and internal A-spot!

- 10 Vibration Modes from soft to very strong

- 2 Powerful Motors

    - Insertable length: 8.0 cm
- 50 minute charging time for 60 minutes of authentic pleasure!
- 100% vegan vibrator

To finish, REWOLUTION offers you a 2-year warranty. Ready for action?

What is REWOLUTION inspired by?

Long before the feminist movement took its first steps during the French Revolution, there have been women of great power, intelligence and with the authority to change the world; an achievement that has double merit, taking into account the time in which many of them lived.

The example of these women showed a rupture of the social mold imposed by the dominant classes and the political, royal or ecclesiastical authority of the moment: that of women being subordinated to the power of men. While not all of them consciously worked for the equal rights movement, they helped inspire a moral and cultural transformation regarding the role of women in society.

Rewolution is inspired by the French Revolution adapted to the current era. A demand for rights for equality in all aspects.

Abortion, interracial relationships, sex outside of marriage, erotic and pornographic films, sex parties, family planning and, above all, easy access to different contraceptive methods ends up bringing us fully into the sexual revolution. One that, now, has women at the forefront. Men might have had theirs in the past and of course they were invited to this one, but only with the liberation of women could true change come to our society.

In recent decades, women have voluntarily and openly decided to become single mothers while making their way in their professional careers thanks to an autonomy that is no longer frowned upon. This lifestyle is further reinforced by the appearance of in vitro reproduction techniques in the early 1980s.

The second wave of feminism helps propel the third, in the early 1990s, bringing new issues to the table such as ecofeminism, lesbian feminism, and trans feminism. Women begin to take action on issues that, despite being derived from their own sexual revolution, were still controlled by men.

The history of women's sexual revolution continues to advance in the present, now driven by a fourth wave of feminism born last decade and that aims to tear down the loopholes of a sexist society by fighting against scourges such as sexual harassment or violence against women. women.

It doesn't matter what generation you are from. We are all protagonists of the sexual revolution and that is why we have created REWOLUTION!! Join the feminist movement and join the sexual revolution!
