Product description

Entering the Rithual range of adult items is a true ritual of pleasure.

Anusara is a vibrator developed in high-quality, body-safe medical silicone.

Its touch is very soft, it has a short and curved shaft design with a clitoris and G-spot stimulator at the same time, wide and flexible to give you double pleasure. It has 2 powerful motors that can be used separately, 10 vibration speeds, and 10 different patterns with a considerable diameter, which together with its shaft will achieve a perfect fit. Suitable for anal sex. As you insert the shaft into your anus, you can place the powerful clitoral stimulator against your perineum and enjoy the delight... and all with hardly any effort!

Its ergonomic handle fits perfectly in the hand. The initial charge will take 6-8 hours to give you 30-60 minutes of enjoyment depending on the speed. Waterproof and rechargeable with included USB charger.

MATERIAL AND CARE

It is recommended to use waterfeel water-based lubricant for better insertion and care of the product, since other lubricants could damage the toy. Carefully clean the toy before first use and after each use.

Anusara is made of silky soft medical silicone, which is extremely slippery and absorbs your body heat quickly. The toy can be easily cleaned with a little soap and warm water. With a little disinfectant toy cleaner, you can ensure a particularly thorough hygiene afterwards, ideally with the perfectly coordinated disinfection spray from Waterfeel. For maximum pleasure, always use your toy with one of Waterfeel's water-based lubricants that are perfectly matched to the product. The water-based vegan composition protects the material and keeps the surface of your toy nice and smooth.
