Product description

Welcome to a new world of pleasure! In addition to the vibrations, which your partner will also enjoy, the hypoallergenic silicone tip that penetrates you will reveal a tightness in your partner that will make them enjoy it even more. You can enjoy that simultaneous stimulation where pleasure is awakened: The impermeability of the Kama Ritual allows you to turn a warm bath into a torrid pleasure.

The integrated battery is very practical: You can comfortably recharge the Ritual Kama with the integrated USB charging cable and improve your frolics whenever you feel like it.

With the practical remote control you can control the vibration comfortably and decide who can make the decisions. For wild adventures and exciting foreplay, the woman can also wear the vibrator in her panties and let her partner excite her.

The Kama Ritual has 2 powerful motors that bring the penis, clitoris and vagina to ecstasy, reinforcing your erotic games with unique sensations. The adaptable U-shape of flexible silicone creates additional tightness and direct pressure on important points. As a daring development of the Kama Ritual, this playmate has a remote control, with which you can vary your erotic games!

Hypoallergenic silicone has a very pleasant feel and is the ideal material to enjoy the game for a long time. It is very hygienic and convinces with its great sliding capacity, which becomes a real pleasure together with an aqueous lubricant. You can wash your toy with water and mild soap. For deep hygiene you should also use a Waterfeel Toycleaner, a couple of sprays are enough to optimally clean your toy.
