Product description

Are they after a trio without a third person? Then get the new ritual bullets on board, because it gives a big boost to your sex life! Disguised as a regular vibrating bullet, it hides a whirlwind of passion eager to explore your intimate areas.

- It can be controlled wirelessly with the included remote control, making your sensual experiences more creative and exciting

Rithual vibrating bullets pamper a lot with 10 intensive vibration programs. The best thing about it is the practical remote control, with which you can choose between programs at the touch of a button. For that special vibe, you can also leave control to your lover! Whether at university, at family celebrations, at work or simply between the sheets, with Rithaul's vibrating bullets your daily life will be much brighter. Thanks to its waterproof material, it can be used underwater with IPX5 category.

They are mainly characterized by being the first remote control bullets with unique innovative functions.

- **Rotational Pearls & Vibration System; Activate it and you will feel a wave of pleasure. The inner balls rotate, stimulating the inside of the vagina, simultaneously feeling the vibration.**

OVER AND OVER AGAIN

Impressive with its Rithual color design. In addition, the skin-friendly silicone gives the surface a silky touch. It can be recharged via USB with the included cable in less than 2 hours for 2-hour stimulation.

MATERIAL AND CARE

The skin-friendly silicone of this toy is characterized by its non-porous surface. This property makes it extremely hygienic. The soft and flexible texture ensures that the silicone slides very well. It absorbs your body heat quickly and stores it. For lubricant use, we recommend an AQUA water-based lubricant.
