Product description

DILDO + LEOPARD DILDO

The Dual Density Leopard is a pleasant and realistic dildo from the Rock Army collection, designed to reach all your intimate points.

This premium realistic penis is a natural tone color and has a silhouette with a suction cup base - giving you a realistic and exciting experience.

The design features carefully crafted details to enhance its natural appeal, while its dual-density material offers twice the intimate fun.

Its soft-touch exterior and solid core form an irresistible combination that will leave you speechless with its sensational feel.

Made of quality TPE and packaged in a carefully revised manner, the Dual Density rock army is a must-have for all lovers of realistic fun.

- Great are also its qualities. With its silky touch and its pleasant 100% TPE surface, Leopard stimulates in all situations; in bed, in the bathtub or using it with a harness. In addition Leopard can be used hands-free by ergonomically placing your foot on a level surface. It will stay like this for as long as required and will be removed easily.

Rockarmy's hypoallergenic TPE material stands out for its silky matte surface with an extraordinary fit to the body. Premium waterproof finish (IPX7).

Erotic toys are easy to clean and hygienic for a long time. The flexible material glides on wonderfully and quickly adopts body temperature. The Rockarmy dildo cleans quickly and easily with a little soap and warm water. For thorough hygiene, spray afterwards with a disinfectant cleaner for sex toys, preferably with waterfeel toycleaner, specifically designed for this.
