Product description

HARNESS + APACHE DILDO

The Liquid silicone Apache is a pleasant and realistic silicone vibrator from the Rock Army collection, designed to reach all your intimate points.

This premium realistic vibradpr is a natural tone color and has a silhouette with a suction cup base - offering you a realistic and exciting experience.

The design features carefully crafted details to enhance its natural appeal, while its dual-density material offers twice the intimate fun.

Its soft-touch exterior and solid core form an irresistible combination that will leave you speechless with its sensational feel.

Great are also its qualities. With its silky touch and its pleasant 100% silicone surface, Apache stimulates in all situations; in bed, in the bathtub or using it with a harness. Additionally Apache can be used hands-free by ergonomically placing your foot on a level surface. It will stay like this for as long as required and will be removed easily.

Made of liquid silicone and packaged in a carefully revised manner, Rock Army Liquid Silicone is a must-have for all lovers of realistic fun.

Rockarmy's Liquid Silicone 100% Hypoallergenic material stands out for its silky matte surface with an extraordinary adaptation to the body. Premium waterproof finish (IPX7).

Apache incorporates a high power motor to complement the realistic feeling to the maximum, with a remote control, Apache is the top of the RockArmy line, a diamond for lovers of sex and the real thing.

Erotic toys are easy to clean and hygienic for a long time. The flexible material glides on wonderfully and quickly adopts body temperature. The Rockarmy dildo cleans quickly and easily with a little soap and warm water. For thorough hygiene, spray afterwards with a disinfectant cleaner for sex toys, preferably with waterfeel toycleaner, specifically designed for this.
