Product description

HAWK HARNESS + DILDO

The Liquid silicone Hawk is a pleasurable and realistic silicone dildo from the Rock Army collection, designed to reach all your intimate points.

This premium realistic penis is in a natural tone color and has a silhouette with a suction cup base: offering you a realistic and exciting experience.

The design features carefully crafted details to enhance its natural appeal, while its dual-density material offers double the intimate fun.

Its soft-touch exterior and solid core form an irresistible combination that will leave you speechless with its sensational feel.

Its qualities are also great. With its silky touch and pleasant 100% silicone surface, Spitfire stimulates in all situations; in bed, in the bathtub or using it with a harness. In addition, Hawk can be used hands-free by placing its foot ergonomically on a flat surface. It will stay like this for as long as required and will be removed with complete ease.

Made from liquid silicone and packaged in a carefully reviewed manner, the rock army liquid silicone is a must-have for all lovers of realistic fun.

Rockarmy's hypoallergenic 100% Liquid Silicone material stands out for its silky matte surface with an extraordinary adaptation to the body. Premium waterproof finish (IPX7).

Sex toys are easy to clean and remain hygienic for a long time. The flexible material glides wonderfully and quickly adapts to body temperature. The Rockarmy dildo cleans quickly and easily with a little soap and warm water. For thorough hygiene, spray it afterwards with disinfectant cleaner for sex toys, preferably with waterfeel toycleaner, specifically designed for this.
