### Product description

The Liquid silicone Apache is a pleasurable and realistic silicone vibrator from the Rock Army collection, designed to reach all your intimate points.

This premium realistic vibrator is in a natural tone color and has a silhouette with a suction cup base: offering you a realistic and exciting experience.

The design features carefully crafted details to enhance its natural appeal, while its dual-density material offers double the intimate fun.

Its soft-touch exterior and solid core form an irresistible combination that will leave you speechless with its sensational feel.

Its qualities are also great. With its silky touch and pleasant 100% silicone surface, Apache stimulates in all situations; in bed, in the bathtub or using it with a harness. In addition, Apache can be used without hands by placing its foot ergonomically on a flat surface. It will stay like this for as long as required and will be removed with complete ease.

Made of liquid silicone and packaged in a carefully reviewed manner, the rock army liquid silicone is a must-have for all lovers of realistic fun.

Rockarmy's hypoallergenic 100% Liquid Silicone material stands out for its silky matte surface with an extraordinary adaptation to the body. Premium waterproof finish (IPX7).

Apache incorporates a high-power motor to complement the realistic sensation to the maximum, with a remote control, Apache is the pinnacle of the RockArmy line, a diamond for lovers of sex and reality.

Sex toys are easy to clean and remain hygienic for a long time. The flexible material glides wonderfully and quickly adapts to body temperature. The Rockarmy dildo cleans quickly and easily with a little soap and warm water. For thorough hygiene, spray it afterwards with disinfectant cleaner for sex toys, preferably with waterfeel toycleaner, specifically designed for this.
