Product description

It is a fantastic TRIPLE stimulator, when introduced thanks to its design it acts as anal balls and produces pleasure. It also stimulates the Prostate, the perineum area and the testicles at the same time, made of safe medical grade silicone.

THE Male G Point (Called P point in men) are those that control and increase erection, orgasm and ejaculation. They are the areas where the center of Pleasure is found.

The **Big-Boy** has a powerful 7-speed vibrator thanks to its 80mm bullet designed to enhance sensations in one of the most erogenous areas of the male body, the perineum.

It adapts perfectly to the male anal canal to reach the prostate, causing a gentle prostatic massage with its vibration.

- Vibration power thanks to its 7 rhythms and removable bullet
- 100% aquatic
- Batteries included
- Black satin bag included to store it and always have it perfect.
- 100% medical grade silicone.

Strong and silent vibration.

It is waterproof, so you can also use it in the shower. The **Big-Boy** can be used during masturbation, or in sexual play to increase erection and orgasm.

The 80mm vibrating unit is removable so you can always keep it in perfect condition, in addition to using it as a separate stimulator...

The **Big-Boy** 7V will make you feel a strong, intense and controlled orgasm!!

Measurements: 12 cm x 4.4 cm.

It works with 1 LR1 battery that is included.
