Product description

Precise stimulation with vibrating ears.

The Rocks-Off Glo-Girl Bunny is a flexible rabbit vibrator designed to deliver targeted and effective stimulation to your erogenous zones. Its small, flexible ears allow for precise vibration transmission, gently adapting to the curves of your body.

With 10 vibration functions, it provides an intense and customizable experience, whether for external play such as clitoral, nipple, or perineal stimulation. Made of medical-grade silicone combined with ABS plastic, it guarantees softness, hygiene, and safety with every use.

Its waterproof construction (IPX7) makes it ideal for underwater use and easy cleaning, while its compact, ergonomic design makes it perfect for both beginners and those seeking precision and power in a discreet format.

Highlighted Features:

- Bunny vibrator with flexible ears for targeted stimulation
- 10 intense and varied vibration modes
- Velvety touch, body-safe silicone
- Compact and easy-to-handle design
- Waterproof (IPX7), suitable for play in the shower or bathtub
