### Product description

#### **Discover pleasure in a safe and controlled way.**

The Rocks-Off Quest Prostate Bullet is a compact prostate vibrator, specially designed for those who want to introduce anal stimulation in a comfortable, safe, and effective way. Its slim shape, combined with a wide base, provides risk-free use and complete control during the experience.

Thanks to its 10-speed vibration motor, this stimulator offers intense yet manageable sensations, perfect for those new to prostate pleasure. Its soft silicone and flexible flange allow for even distribution of vibrations, maximizing sensation without compromising safety.

#### **Highlighted Features:**

- Compact size ideal for beginners
- 10 vibration modes to explore different intensities
- Wide base for greater security and control
- Soft and body-safe material (silicone + ABS)
- 100% waterproof (IPX7), ideal for use in the shower as well
- Works with one AAA battery (included)
- Up to 3 hours of continuous use

#### **Specs:**

- Overall size: 110mm x 60mm x 25mm
- Insertable length: 75 mm
- Circumference: 56.5 mm
- Weight: 48 g
- Power: 1 x AAA
- Material: Silicone + ABS Plastic

Explore new sensations easily and safely with Quest, the perfect prostate vibrator to begin your pleasure journey.
