Product description

Double stimulation for more intense experiences.
The Rocks-Off Ro-Zen Pro is an innovative anal plug that combines prostate pleasure with a vibrating ring designed to envelop the penis and testicles. Its ultra-stretchy ring adapts easily, helping maintain an erection and prolong performance, while the soft silicone shaft stimulates the prostate from within.

The removable vibrating motor includes 10 vibration functions, with different speeds and intensities to suit every moment. It's fully USB rechargeable, allowing for continuous use without batteries, and its 100% waterproof (IPX7) design allows you to enjoy it both dry and in the shower or bath.

A perfect option for couples or for those looking for a more complete and intense experience.
