Product description

Power, pleasure and connection for both.
The Rocks-Off Spire is a vibrating penis ring designed to intensify the sexual experience, whether solo or with a partner. Made from high-quality liquid silicone, it offers a soft, flexible, and completely body-safe texture, providing a comfortable and pleasurable fit.

It is placed over the erect penis to help improve firmness and prolong duration, while its 10-speed vibrations are transmitted during penetration, simultaneously stimulating both partners, whether in vaginal or anal encounters.

Thanks to its USB jack-pin charging system, it's easy to recharge and keep ready for action. Plus, its waterproof design (IPX7) makes it a versatile and easy-to-clean accessory.

Highlighted Features:

- Liquid silicone with a silky touch and comfortable fit
- 10 vibration functions for shared stimulation
- Improves firmness and helps intensify orgasm
- Ideal for vaginal or anal play as a couple
- Rechargeable via USB jack-pin system
- Waterproof (IPX7), suitable for showering and easy cleaning
- Charging time: 2 hours
- Usage time: up to 2 continuous hours
