### Product description

It is a fluid, transparent and light cream, based on natural plants.

Mega Penis is known for its pleasant smell and ease of use. Thanks to the properties of the plant extracts it contains, it will restore elasticity, enhance the erection and tone your penis.

It should be applied 1 or 2 times a day to your penis and massage it until absorbed.

Like all creams, the application of the product to guarantee its effectiveness must be daily.

It's time for your penis to get what it deserves!!

75 ml container (External Use)
