Product description

Beauty cream for the chest with moisturizing and toning actions (due to its action on the superficial layers of the epidermis). This non-greasy cream helps maintain skin elasticity and tone.

The plant extracts in this cream and the hydrolyzed elastin extract are highly recommended to preserve the delicate skin of the breasts and their curves.

- Witch hazel floral water and sweet almond oil have purifying, anti-inflammatory, soothing and moisturizing properties. Hops extract tones and repair fragile skin.

Contains: 125 ml.
