Product description

It is a delay spray for men, which helps in cases of premature ejaculation, prolonging the time it takes a man to reach orgasm, allowing the couple to enjoy sex, instead of being worried about whether it ends abruptly.

It seems to be the most normal thing in the world for men to reach orgasm before women. In general, it is not a medical problem, there are many reasons for premature ejaculation. However, premature ejaculation can make a woman think that she is not enjoying herself to the fullest, which makes sexual life as a couple unnecessarily difficult. Fortunately, there is a remedy:

RETARD 907 SPRAY.

- Provides greater stamina for men
- It is applied simply and discreetly in the form of a spray
- It works instantly to provide greater sexual pleasure to the couple. Improve your sexual confidence. Greater endurance for the man and maximum pleasure for the couple. Goodbye to premature ejaculation problems.
- Dermatologically tested.
- Anti-allergic. Does not irritate the skin or mucous membranes. It does not have contraceptive properties.
- 25 ml container.
