Product description

It is a gel that delays orgasms for a long time.

Premature ejaculations are something that bothers more than 60% of men, not to mention their partners. Premature ejaculation shortens the pleasure of sex too much, when you really would like to continue longer.

Use **Sex delay cream** for a long-lasting scene without worrying about ejaculating too early. It can delay sperm discharge for 30 minutes!

The active components of the gel reduce the sensitivity of the penis, and therefore delay orgasm.

Goodbye to premature ejaculation problems .

- Dermatologically tested. Anti-allergic.
- Does not irritate the skin or mucous membranes. It does not have contraceptive properties.
- 30 ml container.
