Product description

Taboo Pheromone For Men increases the power of attraction of men.

This neutral scent body mist can be used in addition to your usual perfume or for more effect with a sensual Taboo fragrance which already contains aphrodisiac scents of flowers and animals. Developed by the Provital laboratory, this unique SensfeelTM ingredient stimulates the synthesis of androstenedione, male pheromones. It modulates the production of pheromones by the synergistic action of secret ingredients. Many studies have proven the effectiveness of this new ingredient.

FEATURES:
