Product description

This cream composed with ginger and fenugreek extract (well known for its beneficial properties). It will help your masculine attributes have an advantage over your companion.

- A soft and toned penis will be offered to your companion.
- Give your penis the privileged treatment it deserves.

75 ml container.
External use.

Enhancement Guide

Enhancement Guide

Start with low pressure/short sessions. Increase gradually. Never overdo - injuries possible.

No magic pills - devices work but need commitment.
