Product description

Hit the bull's-eye with the Satisfyer Bullseye. This penis ring has an elegant and timeless design, with an adjustable loop to adjust the perfect diameter for you. This makes it ideal for beginners and anyone looking for the perfect fitting penis ring. You can control it with the App Connect and it is made of body-friendly medical silicone, it is particularly flexible and soft. Thanks to the blood-congesting effect, the adjustable penis ring not only delays ejaculation, but also gives you a remarkable erection that allows you to feel every touch particularly intensely.
