Product description

Ready for an interstellar journey? With **Cosmic Crest 1**, you'll explore infinite galaxies of pleasure! Made from durable stainless steel to deliver endless enjoyment. Its dual-ended design offers a variety of sensations with one flattened side and one rounded end.

- Made from robust, high-quality stainless steel
- Temperature-resistant material—perfect for experimenting with cold and heat
- Perfectly shaped to reach the G-spot for intense stimulation
- Enjoy cold and warm sensations
- Usable on both ends
- Easy to clean
- Solid stainless steel
- Sensual G-spot stimulation
- Intense pleasure thanks to its substantial weight

Unique design for galactic adventures

Cosmic Crest 1 reaches the G-spot perfectly with its two ends: use the flattened end for broad internal massage, and the narrow, rounded end for targeted stimulation. This sex toy is crafted entirely from smooth, solid stainless steel and glides effortlessly across the skin. Its considerable weight provides extra pressure, delivering greater pleasure with less effort. The material is also ideal for temperature play: simply place the steel dildo in the fridge or in warm water before use. Hot as the sun or cold as Uranus—**you decide!**

Explore new dimensions of pleasure

Cosmic Crest 1 is perfect for seasoned astronauts and curious space travelers alike. A battery-free stainless steel dildo ready for action anytime. Treat yourself to a trip among the stars!
