Seductive variety with the Satisfyer Curvy Trinity 2

The Satisfyer Curvy Trinity 2 is the perfect sexual wellness device for those who are undecided - because it scores highly with several functions and application zones! As a pressure wave vibrator, it pampers the clitoris, while as a G-spot vibrator, it caresses your hot spot with intensive vibration programs and a tapered shaft. But that's not all, because the Curvy Trinity 2 can also be used as a lay-on vibrator thanks to the curved surface in the middle.

Satisfyer Curvy Trinity 2: G-spot vibrator and lay-on vibrator in one

Its 3 power motors ensure strong vibes: The two independently controllable functions let you choose between 11 pressure wave and 12 vibration programs, while the shiny element on the back is a real eye-catcher.

Its waterproof properties (IPX7) offer further options for variety and ensure that the Curvy Trinity 2 can also join you in the shower or bath. The skin-friendly silicone encasing the entire sexual wellness device makes it feel soft and comfortable on the skin. A particular advantage of the material is that it is hygienic and can also be used without a condom. Thanks to the batteries, the pressure wave vibrator can be easily recharged if it runs out of power.

Let yourself be pampered by 3 powerful motors and enjoy your freedom with the Curvy Trinity 2!
