Try something new this Christmas with the Satisfyer Booty Call, a compact, beginner-friendly anal plug that lets you discover new dimensions of pleasure, one bead at a time. And if you're looking for spontaneous fun on the go, the Naughty Masturbator Egg stimulates the penis and glans perfectly, without the need for lubricant. Soft, stretchy, and textured: it's your ideal companion for unexpected pleasure.

Pumpkin Sugar Cookies: Bring the scent of Christmas into your bedroom with an aromatic massage oil, a candle, and a flavored lubricant that will turn every intimate encounter into a feast for the senses. With the Satisfyer Playful Pumpkin candle and massage oil, and the Satisfyer Christmas Cookie massage oil, you can enjoy romantic massages and transform your intimate space into a sensual wellness spa.

For safe and easy care of your sex toys, the Satisfyer Toy Cleaner is here to help. With just one spray, it thoroughly cleans and reliably eliminates bacteria, keeping them hygienic and always ready for your next adventure.

To add an extra touch of FUN to your Christmas passion, this year the Fun Factory brand makes a special appearance in the **Satisfyer Deluxe Advent Calendar**. Softer than the first snowfall: The Intense gently embraces the clitoris with its ergonomic opening and indulges it with contactless air waves in 11 intensity levels, from gentle to powerful. More innocent than an angel, yet full of power: Wicked Wings combines a realistically shaped body for targeted G-spot stimulation with flexible wings that also caress the clitoris. With 6 vibration modes and 4 speeds, you'll always find the rhythm that suits your desires. These and many other surprises await you behind the welcoming doors of our Advent calendar.

Air pulse and rabbit vibrators, anal toys, masturbators, sensual care products... Still want more? We also have seductive Penthouse lingerie to enhance your curves and turn up the heat. For a playful twist, you'll find an exclusive card game that lets you take things a step further. And if you're feeling a bit more adventurous, select BDSM accessories are hidden behind other doors, perfect for symbolically handing over your room keys.
