What’s so special about the Dipping Delight?

The Dipping Delight has an intensified and very soft, curved tip to provide sensations like never before! Ideal for beginners due to the straightforward functionality and playful design. With a firm body coated in a smooth silicone, the tip is made fully of silicone, making it fully flexible and providing sensations throughout the nubbed tip – perfect for targeted clitoral stimulation or to tantalize a little bit at a time.

The Dipping Delight has a bent tip, for stimulation from above, as well as ribbed detailing for additional sensations. Providing a broader sensation than a typical lay-on vibrator, enjoy the intensified sensations of the 2 powerful motors through 12 different vibration programs. The Dipping Delight is made of body safe silicone, is rechargeable and waterproof (IPX7).
