Product description

Unique design and high quality material: Experience pure luxury and incomparable sensual pleasure with **Satisfyer Double Crystal**. Made from high quality borosilicate glass, this dildo is lightweight, safe and extremely versatile. Get ready for the ultimate stimulation!

There are no strong vibrations, but the sensations are still intense: With the Satisfyer Crystal series you can experience stimulation on a whole new level. Made from high-quality borosilicate glass, **Satisfyer Double Crystal** is an attractive and unique sexual device.

Borosilicate glass has many properties that make it the perfect material: The glass is especially stable and unbreakable, so it is also safe to use. It is also very resistant to external influences: Acids, chemicals, heat and cold: almost nothing can damage the Satisfyer Double Crystal, which is why it is also particularly durable. Heat and cold: **Satisfyer Double Cristal** is perfect for playing in cold or hot temperatures thanks to the cold and heat resistant material with which it is made. made. You just have to put it in hot water before using it to enjoy relaxing heat, or put it in the refrigerator to feel an exciting, cold tickle. The sensation of hot or cold glass will enliven your mood. your senses and will provide you with even more intense sensations.

Satisfyer Double Crystal offers double the pleasure since each side has a different texture. Choose between the smooth surface on one side for gentle massages or the ridged surface on the other for even more intense pleasure. Thanks to its shape and surface, it slides effortlessly inside you and reaches all the hot spots. The wide base in the center of the device ensures a good grip when using it and absolute safety during anal use so you can lose yourself in your lust without worries. By the way: In addition to anal and vaginal stimulation, **Satisfyer Double Crystal** is also suitable for pleasant and warm massages.

Thanks to its material, the glass dildo is particularly hygienic and can be easily cleaned after use. A little soap and water or toy cleaner and the **Satisfyer Double Crystal** will be ready. ready for next use. Immerse yourself in the world of double sensual stimulation!
