### Satisfyer Dual Kiss: Double-sided air-pulse vibrator

The Satisfyer Dual Kiss can do so much: The air-pulse vibrator made of body-friendly silicone can also be used as a G-spot vibrator to satisfy all your desires. The round application head can stimulate you clitorally with sensual, pulsating pressure waves, or you can enjoy a stimulating G-spot massage with the slightly curved, vibrating shaft. It's also a real eye-catcher with its sophisticated look and elegant metal details!

### All-round fun with the Satisfyer Dual Kiss

And it gets even better: The Dual Kiss is waterproof (IPX7), so it's the ideal playmate for long baths and hot showers - and it's easy to clean. If your device ever runs out of steam, you can recharge the integrated batteries with the included USB charging cable.
