Product description

Don't you want to run to the end of the rainbow to find your luck? You don't need that either, because it's just a click away from you! The versatile and Satisfyer Multifun 3 brings you pure joy in the form of more than 33 possible uses between the sheets and not only lets you breathe fresh air in your solo time, but also in your mutual love, because luck is known to be doubles when shared!

In addition to its diversity, the inner values of this exciting love toy also inspire: In the curved body of the Satisfyer Multifun 3 with 3 powerful motors! These sit on the lower end of the bulky, insertable shaft and on the toy's movable arms. The 10 vibration programs at both ends can be controlled separately, for an overwhelming 100 vibration combinations that really leave nothing to be desired! The soft surface made of medical silicone pampers the skin with a soft touch.

EVEN MORE WAYS TO COME

The Satisfyer Multifun 3's moving head can be rotated 180 degrees, so the versatile love toy can be installed in all games and positions. During solo play, the lucky charm cleverly stimulates the clitoris, nipples, or lips, but also provides vibrations to the root of the penis or glans. In the act of love together, you can also spoil your loved one vaginally or anally with one of the two extremes. Of course, the toy is also perfect for gay couples: in this way, they can insert one of the movable arms while penetrating their loved one with the bulky shaft. The Satisfyer Multifun 3 can also be easily placed on the shaft of the penis during anal intercourse, both of you can already enjoy the pleasure here!

Satisfyer Multifun 3 is made waterproof, and is therefore happy to accompany you on lively bathtub and shower adventures.

MORE FUN LUBRICANTS

For maximum pleasure, always use your toy with one of Waterfeel's water-based lubricants that fit the product perfectly. In this way, your experience will be intensely wet and you will get an additional variety factor. They are available in the classic, silky and warm versions. The water-based vegan composition is smooth with the material and keeps the satin surface of its charm pleasant and smooth.
