What can the Satisfyer Epic Duo offer?

Perfect for strengthening and sustaining erections while heightening and delaying pleasure, our Duo line up will not disappoint... Each Duo is equipped with a powerful motor to transmit vibrations through the silicone bands and head of the motor, simultaneously arousing your partner during penetration.

Satisfyer Epic Duo: Vibrating Silicone Cock Ring

The Epic Duo is a tear drop-shaped ring that is slightly curved and features ridged details with a one touch power button in the centre. It sits in the middle range of thicker loops between the Spectacular and Legendary Duo. This is also the only Duo device that is Satisfyer Connect app-enabled for unlimited customisation and control! Available in Dark Blue (Navy).
