Product description

Exciterrr is a lay-on vibrator with a special touch: Beneath the soft silicone surface hides a rolling ball that gives an extra arousing effect.

This device is perfect for anyone looking for an extra bit of fun. This lay-on vibrator offers vibrations and a firm ball that moves in circles beneath the silicone surface to stimulate erogenous zones. Device equipped with 10 vibration programs and 13 swinging patterns that can be combined or used separately to offer versatility to your moment of pleasure.

The shape of the Exciterrr allows for broad stimulation: Give your lips over to the vibration while the ball rotates around the clitoris. Its silicone surface makes the device especially soft and pleasant to the touch.

The Exciterrr has a waterproof finish (IPX7) so it can accompany you underwater.

Use it in the shower or bathtub and get ready for out-of-this-world pleasure. Are you aroused yet?
