Product description

What What could be more pleasant than being a woman? For many women, periods aren't much fun: seizures, hormonal chaos, and the constant worry that something will go wrong: it's time to make it a little easier, at least as far as you go. regards feminine hygiene!

Blessed is the new trend in the women's world: menstrual cups are not only an ecological alternative to tampons and the like, but they also impress with their hassle-free use. The Feel Good Set offers two menstrual cups made of medical and skin-friendly silicone, with a capacity of 15 and 20 ml. Thanks to the seamless construction and the elegant removable cord, the cup is very easy and pleasant to use. The flexible material adapts perfectly to your contours and offers safe and hygienic protection for up to 12 hours. Finally you can enjoy sports, sauna or thermal baths completely relaxed!

Another plus: You save on expensive tampons, which affect your vaginal flora and can leave fine tears in the vaginal wall when removed. So, treat the temple of your femininity healthily and at the same time do something for the environment: no additional purchases, no disposal. With good care, you can enjoy your Menstrual Cup for many years. Just good, isn't it?

Medical grade silicone

- Reusable
- Suitable for beginners and advanced women
- The kit includes 2 glasses
- Feel confident design
- 15 and 20ml cups

MATERIAL AND CARE

The menstrual cup is Made of skin-friendly medical silicone, easy to slide and flexible. For particularly easy insertion, you can use water-based lubricants from Waterfeel which are ideal for the product. Before using for the first time or between periods, you can clean your cup by boiling it in water for a few minutes. During the period, washing with clean water is sufficient.
