Product description

Our newest vibes let your fingers be the guide... the High Fly is our newest innovation in genderless joy. Designed to be easily worn on your hand, it's perfect for caressing the clitoris, penis shaft, or any erogenous area you can imagine!

The High Fly will take your pleasure to new heights with its unique wings. You, or your lover, will be soaring with bliss from the two powerful motors flanking the center grip. This majestic finger vibe is available in yellow and fuchsia.

High Fly is made with body-friendly silicone and polished plastic detailing. And of course it's IPX7 waterproof rated, making both amply equipped to handle even the wettest and wildest of fantasies.
