What else can the Satisfyer Embrace Me vibrator offer you?

Very flexible, use the looped handle to easily experience supreme G-Spot and clitoral stimulation. Built for pleasure connoisseurs, the Hug Me provides dual and upside-down stimulation through its 2 powerful motors. Different from regular rabbit vibrators, the Hug Me provides intensified stimulation from above, rather than below. The Hug Me has a big shaft with a slight edge, as well as a small clitoral tickler with a tongue-like shape.

Bluetooth enabled, the Hug Me connects to the award-winning, free, Satisfyer Connect app, giving you the option to have complete control the powerful motor and truly customize your pleasure. The Hug Me is made of body-safe silicone, is rechargeable and waterproof (IPX7).
