Satisfyer Lolli-Plug 2: Vibrating butt plug

Enjoy sensual anal and prostate massages with the Satisfyer Lolli-Plug 2: The anal vibrator with ascending spherical structure has a silky, smooth surface of body-friendly silicone and is great for men and women. The 12 vibration programs and 2 motors can be selected via the intuitive controls.

What other great features does the anal vibrator have?

Since the Lolli-Plug 2 is waterproof (IPX7), it can also join you in the shower or bathtub - and can be cleaned easily with warm water and mild soap. The anal vibrator has a wide base, which also serves as a handle, so you can enjoy yourself without worrying about it slipping.

If your Lolli-Plug 2 ever runs out of steam, you can recharge the integrated batteries with the included USB charging cable. We always recommend the use of a water-based lubricant for backdoor action. Satisfyer’s lubricants are available in a variety of kinds and provide a smooth experience.
