What else can the Love Me offer you?

Built for pleasure connoisseurs, the Love Me provides dual and upside-down stimulation through its 2 powerful motors.

Different from regular rabbit vibrators, the Love Me provides intensified stimulation from above, rather than below.

Use the big shaft with flattened sides for broad stimulation. The clitoral tickler features a curved and wavy structure for additional stimulation.

With the +/- buttons controlling the motor that powers G-Spot stimulation, and the ~ button to separately control the motor dedicated to clitoral stimulation, easily sift through 12 individual functions per motor to find your ideal pleasure! The Love Me is made of body-safe silicone, is rechargeable and waterproof (IPX7).

Come Love Me.
