### Product description

- SATISFYER 'LOVING TRIANGLE'

Do unforgettable clit orgasms seem like an erotic utopia? Then prepare yourself for a surprise, because with the Love Triangle Satisfyer it will show you the existence of sexual aspects that will shake your universe, even through the control of the application. Non-contact pressure wave stimulation combined with intense vibrations: if your libido jumps again into a triangle, this stylish lady's toy is the solution of choice!

- 3, 2, 1 - ORGASM!

The unforgettable stimulation of the clitoris of pressure waves enchants you with an infinite selection of programs of pressure waves and vibrations that you can control through the application. But this sympathetic woman not only convinces with her abilities, her noble design also makes the Love Triangle a highlight in her toy collection. It fits perfectly in the hand and flatters your skin with a smooth surface of medical silicone. Hardly recognizable as a toy and in a compact format, the hot vibrating push button is also the ideal companion to carry. With the cap you can also hygienically close his head.

- GIVE IT POWER!

Your toy is equipped with built-in batteries and is therefore environmentally rechargeable. If necessary, the included USB magnetic charging cable can be supplemented by a standard 5V mains plug.

- MATERIAL AND CARE

The head of your waterproof toy is made of silky soft medical silicone, which is extremely slippery and absorbs heat from your body quickly. The toy can be easily cleaned with a little soap under warm water. With a little toy disinfectant cleaner, you can ensure especially deep hygiene afterward, ideally with Satisfyer's perfectly coordinated disinfection spray. For maximum pleasure, always use your toy with one of Satisfyer's water-based lubricants that fit the product perfectly. They are available in the classic, silky and warm versions. The vegan, water-based composition protects the material and keeps the surface of your toy nice and smooth.

- THE SATISFYER BRAND

Satisfyer: much more than a German brand! It all started with contactless stimulation of the clitoris thanks to innovative and patented pressure wave technology; Meanwhile, the world's leading brand of sexual wellness enriches the love lives of over 25 billion women, men and couples in more than 100 countries with a wide range of products, as well as always new and cutting-edge ideas. Technologies With quality features such as high-quality silicone, a 15-year warranty, hermetic workmanship and powerful motors, the successful German brand is always ready to combine technology with exceptional design in its products. In the past 3 years alone, Satisfyer has won more than 140 international design awards like no other company.
